### Session Times

#### Monday to Thursday

**Morning sessions - 9:30am to 11am**

**Afternoon sessions - 1pm to 2:30pm**

Each session is limited to 7 families. You are able to come to more than one session a week if you wish to do so. Fees will be adjusted accordingly. Sessions are available for children from 0-5 years. Children must be supervised at all times by a parent/caregiver.

### Fees

At present the fees are as follows:

\$25 per family per term or \$2.50 per session

This covers material costs and insurance provided by Naracoorte North Kindergarten.

### Enrolment

A staff member from the Kindy will be available to show you the relevant sheet to fill in to enroll your child/ren. Please include **ALL** information as sometimes we need phone numbers to contact members. **You need to enroll your child each term.**

### Fruit/Snack Time

Feel free to bring a snack and drink for your child/ren. There is no set time for eating but quite often groups of children will eat together. Some groups have also introduced a story/song time. Please place covers on the kitchen chairs if using the kitchen area. Ask a Kindy staff member to show you where these are kept. Please ensure your child does not eat on the carpet areas.

Help yourself to tea, coffee and Milo in the kitchen.

### Sun safe Policy

During terms one and four hats are compulsory for both children and adults when outside. No hat means inside play or play time under the verandah only.

Please also apply sunscreen to your child/ren before coming to playgroup.

### Information Pockets

Under the Playgroup notice board is a pocket for each playgroup family. Please check these each week and discard recyclable paper in the bin around the corner from the pockets.
